Candidate for the
Democratic Nomination

Primary Elec., Tues. Aug. 11

WHY DAVEY?

You as an active Democrat have the interest of the party at heart. No one candidate is essential to the Democratic party. I am not essential nor is my opponent. The whole problem is to select as your nominee that man who can best harmonize the party forces and give the greatest chance of victory in the Fall election. In this spirit, I wish to discuss with you the subject of my candidacy for the Democratic nomination for congress in the new 14th Ohio district (Portage, Summit, Medina and Lorain counties). This district is strongly Republican under normal conditions. In order to win, the Democratic nominee must have the solid support of his own party. My opponent is now in congress. A little over a year ago he called a caucus against President Wilson in an effort to defeat the tariff bill. He has antagonized the administration and the leaders of congress. Less than three months ago, his stubborn insistence on his proposed farm credit bill brought severe censure from the president and the leaders of congress. It was pronounced economically wrong and unfair and was consigned to the waste basket. Farm credits had already been provided in the amended form of the federal reserve act.

My opponent says emphatically that he is opposed to Bryan. He has openly and unjustly condemned Governor Cox, apparently from personal animosity. If he did not like Governor Cox, the decent thing for him as a Democrat was to keep his peace. His condemnation of the governor is being used against the Democratic party today. He has quarreled with practically all of the county organizations in his district. His arrogance and discourtesy toward the party workers has aroused tremendous personal bitterness in his own party. This bitterness is not local. It is general. There is a large element in the Democratic party who say they will stop nothing to defeat him if he is nominated. Harmony under his leadership is impossible. The party is divided against him. The admirers of President Wilson resent his actions. The friends of Bryan dislike his personal animosity. The supporters of Governor Cox condemn his disloyalty to the party. Hundreds of active Democrats are bitter against him. These conditions existed because he created them. It is freely predicted that he cannot be elected if he is nominated. IF HE IS TO BE DEFEATED, THE PRIMARY IS THE PLACE TO DO IT. These are the reasons why I am a candidate: I am a candidate of my own free will. No one asked me to enter the race. I am a candidate because the situation demands another man. I come in the interest of harmony. I stand squarely with President Wilson in his splendid effort to make good to the people on the Baltimore platform. I have admired Bryan and believed in him since he first ran for president. I endorse the great work of Governor Cox for the people of Ohio. I stand for harmony in the party, both at Washington and at home. I believe in courtesy and co-operation as the only means to success. I am confident from the results to this date that I shall carry every county in the district on August 11th. DO YOU like the kind of Democracy for which I stand? I would like to have your support and shall appreciate it. If I am elected, I shall keep the faith.

C. S. RICE

Democratic Candidate

for

SHERIFF MEDINA CO.

Subject to decision of primaries
 Aug. 11th 1914.

As is now well-known I am a candidate for Sheriff of Medina County and submit the following facts: I was born in Chatham Township and have lived in the county all my life. My occupation has been farming and lumbering. Realizing that it will be impossible for me to call personally on all the voters throughout the county, I feel that it is very important that the citizens make a thorough investigation as to a man's character, also as to his ability to handle the office to which he aspires. Trusting that upon investigation you will give me your support at the primaries and election, and if elected I shall endeavor to give you no cause to regret the assistance and help given me. Thanking you for your support,
 C. S. RICE

LENTZ'S MESSAGE TO YOU

I am doubly appreciative of the fact that you are with me in my fight. I am fighting your battle and your co-operation is my strength. Stand-patism has been rebuked, it must not be revived. Upon my life's record of things done and promises kept I ask you to nominate and elect me to the United States Senate as your advocate and representative. You may not know what others favor, but—

I STAND FOR
 Platforms as sacred contracts.
 Universal peace.
 Wilson and Bryan whom I helped to place in power.
 Popular election of presidents and postmasters.
 Installation of telegraph in every post-office.
 Extension of parcel post.
 More dollars for health and education—less dollars for battleships.
 Initiative, referendum, recall of all crooked officials.
 No hog combine in officeholding.
 Widows' pensions and against child labor.—John J. Lentz.

WRITE, PHONE OR SEE
 Your friends and neighbors. Ask them to go with you to the primary and make **HON. JOHN J. LENTZ OHIO'S NEXT SENATOR**. Always standing shoulder to shoulder with Wilson and Bryan he has helped Democracy to win its greatest victories. He is an able champion of the people's rights, free, clear and unencumbered by trusts or special interests. Shall the people of Ohio have a representative in the United States Senate? It's up to you. Lentz is your friend.

DON'T THROW AWAY YOUR VOTE.
 The contest has dwindled to Lentz vs. Hogan, with Lentz in the lead.
 Vote August 11 for Lentz.
 Every ballot marked like this one will help put Wilson and Bryan's friend and your friend in the Senate:

Charles M. Cannon
 Candidate for
Clerk of Courts

Medina County, Ohio

Primaries Tuesday, Aug. 11, 1914

Charles M. Cannon was born on a farm in Guilford Township, Medina County, Ohio in 1859. His ancestors were Scotch-Irish descent, attended District and High schools, taking a business course in commercial law, was also a close student of the English and American law, spending nearly all his spare time reading the best books on the subject.

Engaged in business in Blake, O., for five years was appointed postmaster at that place. Received a commission as a notary public from Gov. J. B. Foraker in 1889, from Gov. W. M. McKinley in 1892, from Gov. Geo. K. Nash in 1902, from Gov. Judson Harmon in 1910, from Gov. James M. Cox in 1914. Elected Justice of Peace in 1910, elected again in 1914. Engaged in farming for several years, but for the last six years has been engaged in the mercantile business at Medina, O. Losing his entire stock of goods in 1911 by fire, but soon resumed business again. Was appointed district assessor for Medina Village in 1914. He stands squarely on his past record and if nominated and elected, having a fair knowledge of law, is well qualified to take care of the office.

To the Democrats of Medina County. I submit my candidacy for Sheriff. I failed of election two years ago by a very narrow margin and if you still have faith in my integrity and fitness for the office, I will greatly appreciate your support in the primary on Aug. 11, 1914.

LEROY EXTENSION SCHOOL

Some time ago the people of Leroy and vicinity petitioned the College of Agriculture, Ohio State University, for one week Agricultural Extension School during the coming winter. Word has just been received from Clark S. Wheeler, Supervisor of Extension Schools, that the petition has been granted. The date of the school is Dec. 28 to January 1.

Only about half the counties in the state were granted Extension Schools this year so that places which did secure schools are congratulating themselves. Members of the faculty of the College of Agriculture will give instruction thruout the week in Farm Crops, Soil Fertility and Animal Husbandry. An additional instructor will be sent for one day to give talks on poultry. Two women from the Domestic Science department of the college will lecture on Home Making and give demonstrations.

IS HARD TO BEAT

OUR LAND IS UNSURPASSED IN QUALITY in northern latitudes. CHOICE LANDS OF MARVELOUS FERTILITY—near railroads—near good towns and good neighbors, can be purchased on easy terms of payment at Twenty (20) to Forty (40) Dollars per acre; and less for cash.

WHAT IS YOUR FARM WORTH PER ACRE?

If you sold your Ohio farm and bought two or three times as many acres of our rich land, how much cash surplus would you have in the bank? This is the point that appeals to the progressive Iowa, Nebraska, Wisconsin, and Minnesota farmer. In these states almost within a generation the farmers have seen their lands increase from a few dollars an acre to \$100.00 to \$150.00 per acre and this history will be repeated in Central Saskatchewan, and these progressive western Americans are selling their high priced land and buying a Saskatchewan farm for every member of the family, and they have money for buildings, implements and stock and a handsome cash balance in the bank.

How many bushels of wheat, oats, rye, barley, flax, potatoes, turnips, onions, etc., can you raise per acre and what can you get for them? How many tons of hay, alfalfa, cabbage, etc?

WHAT IS YOUR FARM WORTH PER ACRE?

Then there are horses, cattle, sheep, hogs, poultry—poultry and dairy products—etc.

I shall be pleased to request our Board of Trade to send you trustworthy information as to what we are doing in Central Saskatchewan. You will be astonished to learn of the marvelous productiveness of our soil and our market prices.

FROM THE ABOVE TEN YEAR RECORD CAN YOU FORECAST THE NEXT TEN OR TWENTY YEARS OF CONTINUED DEVELOPMENT AND EXPANSION IN THIS PROVING? CAN YOU ESTIMATE WHAT IT WOULD MEAN TO YOU AND YOUR CHILDREN TO BE A PART OF THIS GREAT FORWARD MOVEMENT? CAN YOU REALIZE THAT EACH TEN YEAR PERIOD WILL DO MORE FOR THIS PROGRESSIVE COUNTRY THAN HALF A CENTURY WILL DO FOR YOU?

AKRON STOMACH VICTIMS ARE RESTORED BY MAYR'S REMEDY

A. M. George Gets Rid of Malady
 After Several Years of Suffering.

A. M. George, who has offices at 304 Walsh Building, Akron, was for many years a sufferer from stomach ailments. He tried a good many treatments and took many medicines. At last he found Mayr's Wonderful Stomach Remedy. The relief he sought came swiftly. He wrote: "It is wonderful what results I received. I haven't had a symptom of the old trouble that I suffered for several years. Mr. Felver, my neighbor, who sent for some, claims that he is a different man altogether, and his wife, who has been in poor health for several years, thinks it is doing her good."

Just such letters come from all over the country. Mayr's Wonderful

Stomach Remedy convinces the first dose—no long treatment. Mr. George's experience is typical.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and poisonous matter. It gives quick relief from stomach, liver and bowel troubles. Many say it has saved them from dangerous operations and many are sure it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to W. J. Wall's drug store and ask about the wonderful results it has accomplished—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you its wonderful effects.
